Custom Clearance

Sidhanth Shipping & Logistics has a dedicated crew to handle customs-related procedures in all major Indian ports for both air and marine cargo clearance. We regard customs brokerage as an essential component of both inbound and outbound logistics. SSL's Operations team has a good pool of employees who are well trained in the operating procedures and operational expertise required to address local problems.

Air Freight

Freight forwarding is frequently a juggling act involving time, cost, and environmental issues. That is one of the reasons businesses prefer Sidhanth Shipping & Logistics for cost-effective, smooth freight delivery. We have a partnership with the world's biggest airline, IATA, to provide the best air freight rates for all global locations. We have a partnership with the world's biggest airline, IATA, to provide the best air freight rates for all global locations.

Sea Freight

We specialize in ocean freight for general cargo, project cargo, hazardous cargo, oversized cargo, and perishable cargo. We can provide immediate quotations for all freight services. We offer the services for all ports and cargo types such as perishables, general cargo, and project cargo. We offer LCL and FCL shipments, as well as door-to-door and port-to-port services in freight. We can arrange you direct port services for your LCL shipment. Your LCL shipments will be filled as soon as possible.

Road Transportation

We are dedicated to meeting every customer's logistics needs by road transportation. We provide road and ground logistics services with the most competitive transit times and pricing by signing contracts directly with important carriers. We offer our valued clients the greatest transportation services, which are carried out with the utmost care and concern. We provide safe and secure road transport from one location to another.

Project Cargo & Break Bulk Shipment

Shipments that cannot be shipped as containerized cargo due to being over-dimensional and/or overweight must be prepared and loaded directly onto the vessel as bulk cargo, also known as Break Bulk Cargo. Sidhanth Shipping & Logistics is a thriving Break-Bulk Handler. We offer complete solutions for Break-Bulk Cargo by locating/chartering the most suitable vessel for the cargo at the lowest freight as liner services or tramps.

Warehousing

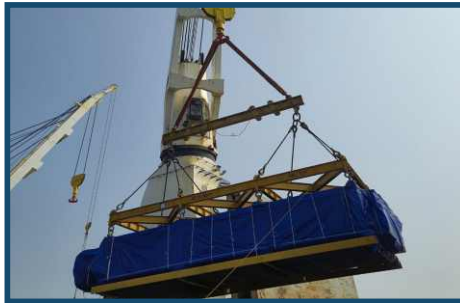

If a shipper needs warehousing & custom bonded warehousing, we can provide it. We can provide warehousing for all types of cargo, including perishable and frozen goods. We can store cargo for both imports and exports. Private Warehousing Transportation, Labor Supply for Assembly, Packing & Repacking Labeling, Loading And Unloading, and Other Activities. Outright storage, piecemeal storage (annual/monthly/weekly /value or volume basis).
